Points in Red are volunteer points.

Not Counted in "Avg Least Seconds" Calculation.

<p>The person closest to their prediction earns 20 points, the next closest earns 19 points, the next closest earns 18 points, etc. Positions 20th and above earn 1 point.</p> <p>When 2 or more persons have the identical seconds missed, the person with the slower predicted run time will be placed before the faster runner.</p> <p>First Place in the competition goes to the person who has the most points.</p> <p>Ties are broken (in the following order) by the person:</p> <p>1) who has run the most races; 2) who has the "least seconds" difference.</p> <p>Eligibility for the "Average Least Seconds" award must complete, at a minimum, 8 prediction runs. Averages will be based on the best 8 "least seconds" runs.</p> <p>Race directors and volunteers earn 5 points.</p>
