The person closest to their prediction earns 20 points, the next closest earns 19 points,
  the next closest earns 18 points, etc. Positions 20th and above earn 1 point.
  When 2 or more persons have the identical seconds missed, the person with the
  slower predicted run time will be placed before the faster runner.
First Place in the competition goes to the person who has the most points.
Ties are broken (in the following order) by the person:
  1) who has run the most races; 2) who has the "least seconds" difference.
Eligibility for the "Average Least Seconds" award must complete, at a minimum, 8
  prediction runs. Averages will be based on the best 8 "least seconds" runs.
Race directors and volunteers earn 5 points.
