

Plano Pacers Running Club, Inc. Hall of Fame

The Plano Pacers Running Club was formed in 1978. The Plano Pacers Running Club has successfully operated as a family-oriented organization for four decades. It is an all-volunteer, non-profit organization, totally dependent on its membership's time contribution. A great number of runners and non-runners have contributed to meeting the objectives defined by the founding members. Starting in 2009, the club established a Hall of Fame to recognize those individuals who have made significant contributions to the club.

The Plano Pacers would like to recognize Stewart Campbell for his dedicated commitment to the Plano Pacers Running Club over the last eight years. Over that period Stewart brought his computer to most of the monthly Plano Pacer races compiling the results of each race. Often accompanied by the interns Audrey & Maddie, Stewart would arrive early each month and input all the information for the guest runners who were not in the club database. Stewart worked the finish line scanning each runner's number after they finished while trying to keep them in proper finishing order. After scanning everyone's number at the finish line, Stewart spent a good amount of time preparing the race results, often for two races. Because of his dedication, Stewart was seldom able to run any of the club races.

Whenever Stewart was unable to be at a race, he provided training for his replacement to ensure things went smoothly in his absence. The Plano Pacers has implemented a new timing system. Stewart thoroughly researched a new timing system and presented a well-informed slate of options to the Plano Pacers board.

Through Stewart's dedication and unique skill set he has assisted in ensuring that the Plano Pacers remains a vibrant part of the greater Dallas regional running community. For all of the reasons documented herein we are happy to name Stewart Campbell as a member of the Plano Pacers Hall of Fame.
